

# LET'S GET IT RIGHT THIS TIME!

**DECEMBER 2018:** The County Commissioners passed ordinances that removed virtually all restrictions on the size and scope of commercial shooting ranges.

**LAST WEEK:** The Growth Management Hearings Board invalidated both ordinances, ruling that they violated state law.

**NOW:** Let's protect our rural Jefferson County for farms, fish, forests and families forever with the clear guidelines (aka "bright-line rules") recommended by our Planning Commissioners:

- **No military or paramilitary training**  
(only small, recreational ranges)
- **500-yard setbacks from any public lakes**
- **Sound barriers and security fences installed**
- **No night shooting or aircraft activity allowed**

**Please write your commissioner today at [jeffbocc@co.jefferson.wa.us](mailto:jeffbocc@co.jefferson.wa.us) or send this ad with a personal note to:**
