A petition to the Washington State Attorney General's Office

We the undersigned oppose the development of large-scale, commercial, military and paramilitary training centers in Jefferson County and the State of Washington. We appeal to your office to support Jefferson County's Board of Commissioners and Prosecutor's Office in their efforts to resist a recent flurry of lawsuits—claiming over $100,000,000 in damages—filed by Fort Discovery, Inc., which are aimed at intimidating the County from exercising its lawful authority to protect the safety, natural resources, and quality of life of Jefferson County.

Please sign if you are a Jefferson County resident or property owner and of voting age by November 1, 2020.
